

ELEGANCE

accessories

Minimalist and Elegance
**Walk-in Closet
& Shelf System**

Easy Assembling

The Elegance system allows the installation of a large number of products with two allen screws, four fasteners and two profiles.

Thanks to the design of the products, easy installation can be realised without difficulty.

Minimalist Design

The Elegance systems Minimalist design and its variety of accessories add maximum functionality and elegance to your living spaces regardless of the area of use.
