## Aluminium Tubes

Perfektüp produces 650 million aluminum tubes annually across its cutting-edge facilities in Turkey, Italy, and Bulgaria. An approach that combines the efficiency of a large industrial group and a tailor-made business mindset. With vibrant packages, customizable backgrounds, and up to 6-color offset printing, our tubes stand out in both aesthetics and functionality. Every stage of production is meticulously quality-controlled, using advanced camera systems to ensure 100% defect-free products. Committed to innovation and sustainability, Perfektüp delivers flexible, eco-friendly solutions that meet the evolving needs of our customers.
