

# DuploFLEX® CB

The compressible base for the most discerning demands in high quality post print.

Would you like to know which DuploFLEX® CB (Corrugated Board) solution we recommend for which requirement? Whether with a PET film carrier or self-adhesive on one side, whether with thick or thin foam – whatever your needs, our range provides you with the

tools to create perfect results in high-quality post print. A further plus point: all DuploFLEX® CB packaging is 100% recyclable, which is easy on the environment and keeps down your disposal expenses.

	DuploFLEX® CB self adhesive on one side	DuploFLEX® CB with PET film carrier*	
			
Foam thickness	Our product solution	Our product solution	Overall thickness (incl. 250 µm PET film carrier)
