

## ABOUT US

Aran Tekstil, producer of the Clasy brand, was established in 1993 in Denizli, where is heart of the home textile production in Turkey.

Our factory is ready for production with facilities: sizing, warping, weaving, quilting, pillow production and confection and 350 well educated employees. We are able to produce bedding sets, quilt cover sets, bed sheets, duvets, pillows, baby bedding sets and all other bedding textile items.

All Clasy items are consist of 100% Coton and never include harmful substances for human health. Collections and designs are prepared by our own design team.

We are exporting our products more than 30 countries.
