Customer Satisfaction

Since 1979, Daiwha Corp. Ltd. has been a leader in the manufacturing and distribution of medical devices, Electro Surgical Unit and Infusion Pump.

In 2009 we enlarged our R&D center at our headquarters in Seoul and rebuilt our factory within DongWha Medical Device Complex in Wonju City. Through continuous internal R&D investments we have successfully stayed true to our core values while expanding into the competitive global market.

Using our company's philosophy for transparent, ethical, and professional management along with our social contribution mindset, our employees set the standard for excellence in customer satisfaction.
