RAPHA MYR+®

Broccoli extract with patented Stabilized Sulforaphane

THE MOST POWERFUL ANTIOXIDANT IN NATURE

BROCCOLI IS GOOD, **RAPHA MYR+® IS BETTER**

Broccoli is the cabbage variety richest in Sulforaphane but is a highly unstable and poorly bioavailable molecule.

RAPHA MYR+® is our nutraceutical supplement with a **truly unique and innovative** formula. Based on broccoli extract with activated free and **STABILISED SULFORAPHANE**.
