# FENOVIR

**REDEFINING MASCULINITY THROUGH INNOVATION**

The natural supplement for male performance.

# THE N°1 CHOICE FOR **SEXUALITY** & **ANDROPAUSE SUPPORT**

Growing demand for male support in **sexual health and andropause** stems from psychological (stress, depression, self-image issues) and physiological factors, including low testosterone. **FENOVIR** provides a **high-quality, effective solution** to meet this need.

**100% NATURAL:** With Fenugreek extract + L-Citrulline, it stimulates endogenous testosterone production.

**PATENTED & CLINICALLY TESTED FORMULA:** Backed by scientific research for proven effectiveness.

**BOOST MALE PERFORMANCE & VITALITY:** The natural solution for sexuality and andropause — NO SIDE EFFECTS.

**MADE IN ITALY:** Produced according to the highest European Quality Standards.

# THE ROLE OF TESTOSTERONE IN **MALE SEXUAL HEALTH**

**MANY MEN SEEK A NATURAL, EFFECTIVE, AND  
SAFE SOLUTION TO REGAIN CONFIDENCE.**

Testosterone levels naturally decrease with age, leading to significant **changes in sexual health** and overall well-being.

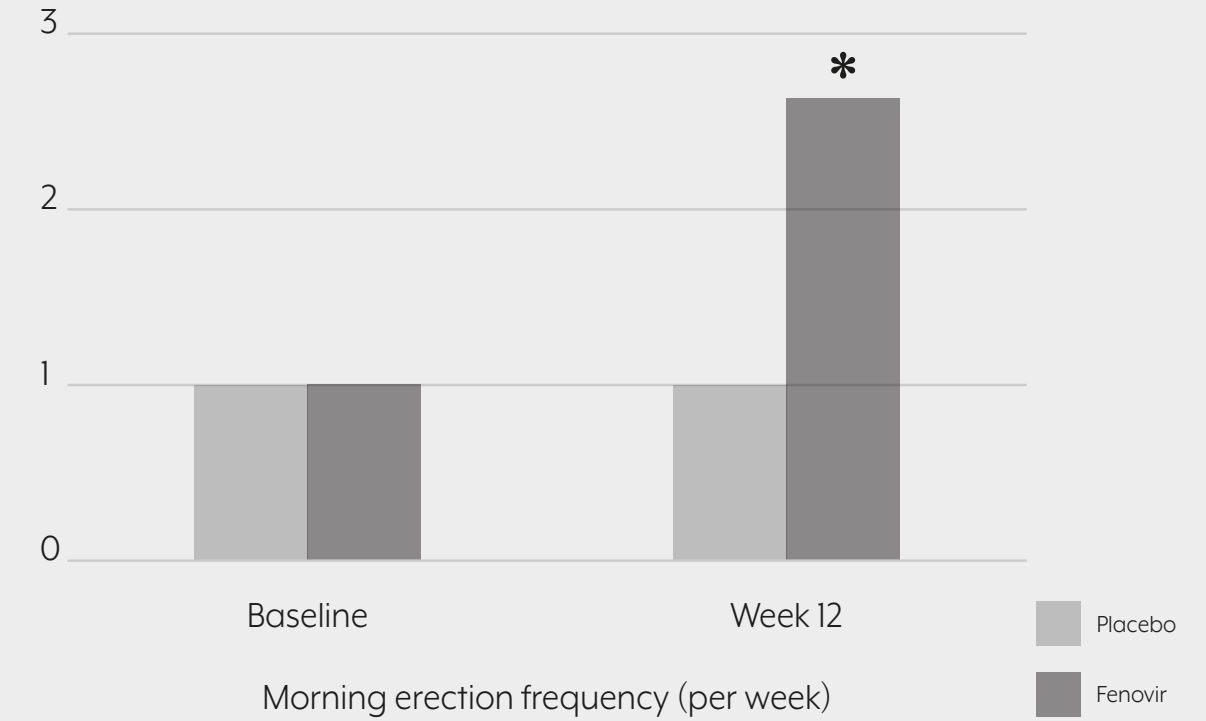

This decline can start as early as 30 and accelerates after 40, **impacting millions of men worldwide.**

# THE NATURAL A SOLUTION FOR **MALE SEXUAL HEALTH**

Fenugreek in **FENOVIR** naturally stimulates **endogenous testosterone**, addressing the root cause of declining sexual performance and desire.

- ⚡ **BOOSTS TESTOSTERONE LEVELS**, enhancing libido and arousal.
- ⬆ **IMPROVES ERECTILE FUNCTION**, leading to stronger, more satisfying performance.
- ⚙ **RESTORES MORNING ERECTIONS** and boosts erectile quality.
- ♥ **INCREASES SEXUAL PLEASURE** enhancing overall satisfaction for both partners.
- 😊 **SUPPORTS EMOTIONAL WELL-BEING**, reducing stress and enhancing self-confidence.

After 12 weeks of intake, FENOVIR increases desire, arousal, frequency of morning erections, and sexual activity.<sup>1</sup>

# L-CITRULLINE: THE KEY TO **MALE VIGOUR**

L-Citrulline contained in **FENOVIR** is a naturally occurring amino acid known for its **vasodilatory properties**, meaning it helps improve blood flow.  
It plays a crucial role in **enhancing erectile function** and sexual performance by increasing nitric oxide (NO) levels in the body.<sup>2</sup>

**FENOVIR harnesses the power of L-Citrulline for enhanced circulation, stronger erections and peak male performance, naturally.**

# ANDROPAUSE IS INEVITABLE, ITS SYMPTOMS ARE NOT

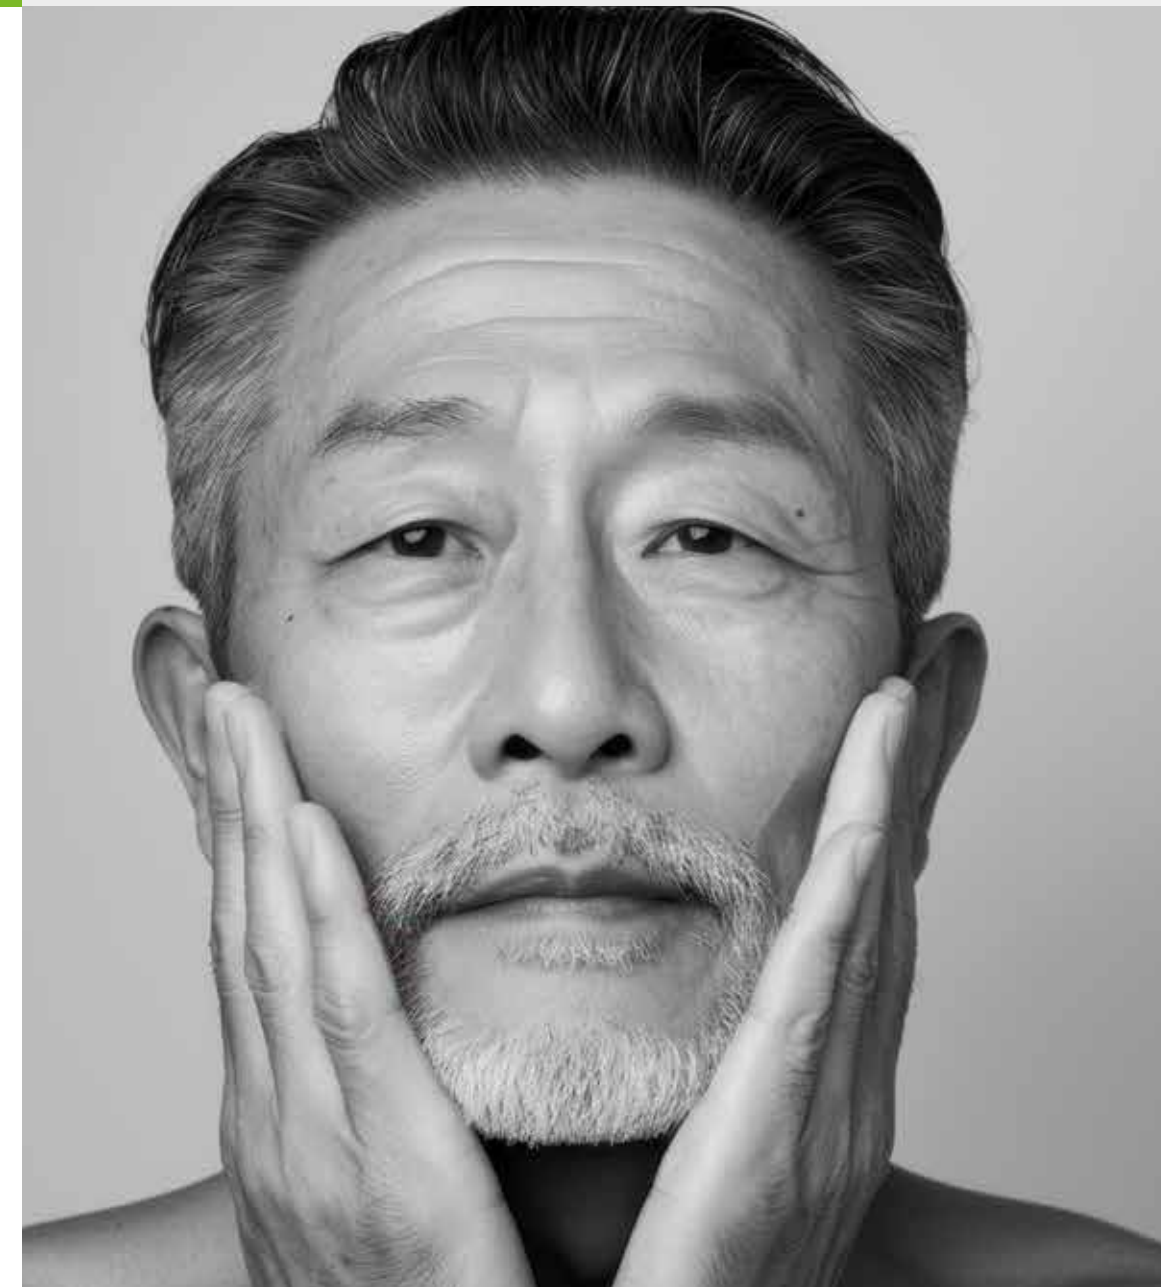

After the age of 40 testosterone concentrations decrease in men at a rate of 1-2% per year.<sup>3</sup>

**Testosterone deficiency** is a common condition that occurs in men as they age.

It is often associated with **decreased libido, weight gain, loss of lean mass and strength, easy fatigue, etc.**

Decreasing testosterone levels below the normal range causes a number of **changes in physiological functions.**<sup>4</sup>

# THE RIGHT SUPPORT **DURING ANDROPAUSE**

The patented formula of **FENOVIR** naturally restores hormonal balance by stimulating **endogenous testosterone production**. This helps counteract the decline in male vitality, improving **sexual health, energy levels, and overall well-being** without the risks associated with synthetic hormone therapies.

**+1,5M OF MEN USE FENOVIR**
