PROCESSING & PACKAGING

# CONNECTING COMMUNITIES

**Fiera Milano, Italy**  
May 29 - June 1 2018

[ipackima.com](http://ipackima.com)

IN CONJUNCTION WITH

MEMBER OF THE INNOVATION ALLIANCE

## IPACK-IMA 2018

THE TRADE FAIR SPECIALISING IN **FOOD AND NON-FOOD PROCESSING AND PACKAGING**

### The new management company

IPACK IMA SRL, THE NEW EXHIBITION MANAGEMENT COMPANY CREATED AS A JOINT VENTURE BETWEEN **UCIMA** (ITALIAN PACKAGING MACHINERY MANUFACTURERS' ASSOCIATION) AND **FIERA MILANO**, IS THE FIRST MAJOR NEW FEATURE OF THE 2018 EVENT AND MARKS THE BEGINNING OF A NEW **PHASE OF INTERNATIONAL GROWTH AND DEVELOPMENT FOR THE SHOW.**

The 24<sup>th</sup> show will offer a new and **highly functional visitor experience** organised according to target markets and will cater for all needs of visitors and exhibitors.

Thanks to strategic partnerships and targeted promotional and development plans, **IPACK-IMA 2018** will stand out for its **technological innovation and international outreach.**

The leading Italian packaging machinery manufacturers belonging to **UCIMA** will join Italian and international companies from the world of processing together with companies specialising in the production of materials, in robotics and in industrial components, making **IPACK-IMA 2018** an internationally important event.

## THE BUSINESS COMMUNITIES

The technologies and products exhibited at IPACK-IMA are divided up into “**BUSINESS COMMUNITIES**” representing the various target markets.

The **eight chosen communities** provide a simple and direct way of fulfilling the interests of exhibitors and visitors.

FOOD • FRESH  
& CONVENIENCE

CONFECTIONARY

BEVERAGE

PASTA, BAKERY  
& MILLING

INDUSTRIAL  
& DURABLE  
GOODS

HEALTH  
& PERSONAL  
CARE

CHEMICALS  
INDUSTRIAL  
& HOME

FASHION  
& LUXURY

The new online platform entitled **MY MATCHING PROGRAM** will make it easier than ever to organise one-to-one meetings between exhibitors and visitors.

Demand and supply will be managed online so as to bring together categories of interest based on profiling criteria.

Visitors and exhibitors will be able to **plan their agendas in good time** through constantly updated keyword searches and a **list of meetings** designed to optimise visiting times and ensure maximum effectiveness.

## EXHIBITING SECTORS

IPACK-IMA 2018 covers an extremely wide range of product sectors. It includes technologies, robotics,

components and materials and meets the needs of all the food and non-food production chains.

- ◆ Machines/equipment/ auxiliary equipment for primary and secondary packaging
- ◆ Filling and packaging machines for liquids and beverages
- ◆ Machines and equipment for the production of packaging
- ◆ Machines and equipment for printing on packaging
- ◆ Labelling, coding and marking systems
- ◆ Transport/end-of-line packaging machines
- ◆ Primary and secondary packaging
- ◆ Transport packaging
- ◆ Labels
- ◆ Packaging materials
- ◆ Process machines/equipment/ auxiliary equipment
- ◆ Process ingredients and additives
- ◆ Automation systems
- ◆ Components
- ◆ Technologies (Robots, Software)
- ◆ Handling systems and equipment on process and packaging lines
- ◆ Services for industry and third-party activities
- ◆ Institutions, Technical Press, Associations

## IN-DEPTH ANALYSIS AND MAJOR ISSUES

**IPACK-IMA 2018** will offer the opportunity for **in-depth discussion and analysis of issues** relating to industrial culture in collaboration with its numerous partner associations, including **AIDEPI** (Italian Association of Confectionery and Pasta Industries), **ASSOGRAFICI**, **ITALIAN PACKAGING INSTITUTE**, **IPPO**

(International Packaging Press Organisation) and **CPA** (Contract Packaging Association). The 2018 show will discuss **Industry 4.0**, **safety** and **anti-counterfeiting**, quality and **traceability** of food and non-food, **sustainability** and the **circular economy** applied to the world of processing and packaging.

# MEAT TECH

Processing & Packaging  
for the Meat Industry

SOLUTIONS  
FOR YOUR  
BUSINESS

Fiera Milano, Italy  
May 29 - June 1 2018  
meat-tech.it

## THE MEAT INDUSTRY MEETS IN MILAN

The development and promotion of the **meat industry** takes centre stage at **MEAT-TECH 2018**, the **processing and packaging** exhibition offering a broad overview of the various production sectors of the meat industry.

### The new features of the second edition

Since its launch in 2015, **MEAT-TECH** has attracted the interest of the leading **suppliers to the meat industry**.

Thanks to the presence of the market leaders and the joint scheduling with **IPACK-IMA**, the next edition of the event will pursue several development strategies:

- ◆ Extensive international promotion across 71 countries conducted by the

network of Fiera Milano agents and the international relations of UCIMA;

- ◆ An effective online MY MATCHING platform for organising one-to-one meetings designed to bring together demand and supply, making participation in the show even more effective for both exhibitors and potential buyers;
- ◆ Two new theme sections entitled MEAT+ and MEAT&More, which will expand the scope of exhibition offerings;
- ◆ Joint scheduling with IPACK-IMA and the other exhibitions in THE INNOVATION ALLIANCE.

## EXHIBITING SECTORS

The **MEAT-TECH** exhibition sectors include technologies and products for meat processing, preservation, packaging and distribution.

- ◆ Slaughtering technologies
- ◆ Meat processing technologies
- ◆ Packaging technologies and materials
- ◆ Fish and fish product processing technologies
- ◆ Refrigeration systems
- ◆ Ingredients, spices and additives for meat processing
- ◆ Materials for meat processing
- ◆ Equipment for workplace cleaning, hygiene and safety

- ◆ Workplace equipment
- ◆ Retail equipment
- ◆ Fresh meat, frozen meat, consortia, importers, meat promotion agencies
- ◆ Service, consulting and IT companies
- ◆ Press, Institutions

MEAT-TECH IS PROMOTED BY

## THE INNOVATION ALLIANCE: IPACK-IMA, MEAT-TECH, PLAST, PRINT4ALL and INTRALOGISTICA

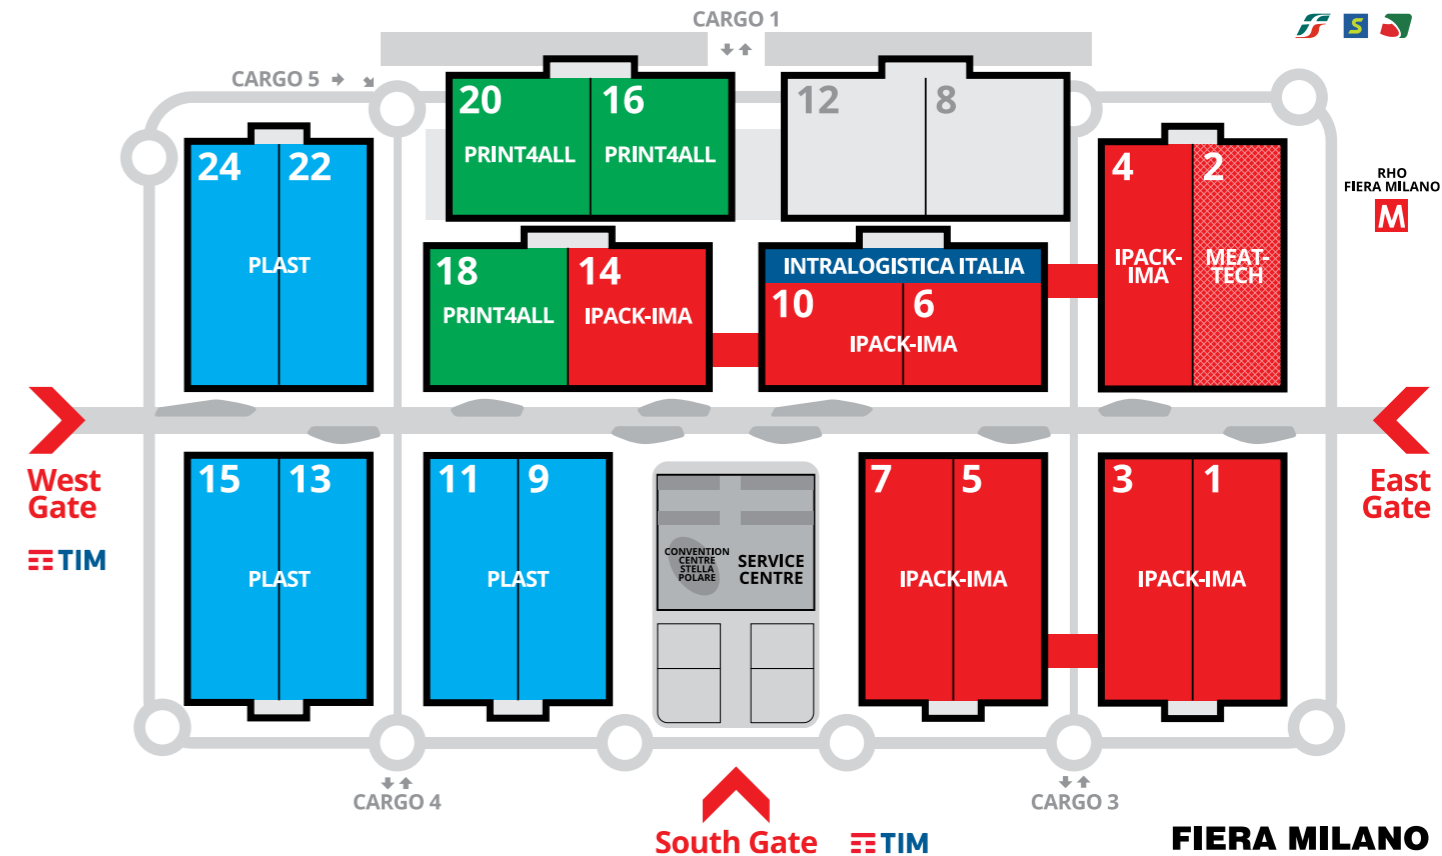

Created as a joint venture between the trade associations **UCIMA**, **AMAPLAST**, **ACIMGA** and **ARGI** and with the contributions of Fiera Milano and Hannover Fairs International, this alliance brings together five key areas of Italian manufacturing excellence in a single exhibition with a powerful supply chain vision. This unique triennial event stands out for the completeness and transversality of its contents,

offering all market players a broader and more international industrial perspective. Professionals attending the show will find a wide range of offerings, from plastic and rubber processing through to product **processing** and **packaging**, industrial and commercial printing, custom graphic design of packaging and labels, and finally end-of-line storage and handling systems.

IPACK-IMA, MEAT-TECH, PLAST, PRINT4ALL, INTRALOGISTICA

THE INNOVATION ALLIANCE GUARANTEES **INNOVATION, VARIETY AND FLEXIBILITY IN THE DESIGN OF COMPLEX INDUSTRIAL SYSTEMS AND CHAINS UNITED BY A SUPPLY CHAIN VISION.**

3.600 exhibitors | 140.000 m<sup>2</sup> net floor space | 18 halls | 150.000 visitors
