

Central Drum Presses

Your need...is our **flexo solution**

Expert
Flexo and Converting Solutions

The logo features the word "Expert" in a large, blue, outlined font with a red diagonal slash through the "X". Below it, the words "Flexo and Converting Solutions" are written in a smaller, black font. The logo is set against a background of a globe showing the Americas, all enclosed within a white dotted circle. The entire graphic is surrounded by blue and white diagonal lines and white lines that connect to the text on the left.

Short Runs C.I. Flexo Press

compact

Compatta e affidabile
Compact and friendly

Sviluppata per tirature di lavoro molto corte
Developed for very short runs

Expert

TECHNICAL SPECIFICATIONS		COMPACT 608 GL		
TYPE		606	608	610
Number of colours	mm	6	8	10
Printing width max.	mm	from 600 to 1000		
Material width max.	mm	from 650 to 1050		
Print repeat	mm	from 240 to 650		
Printing speed	m/min	300		
Reel diameter	mm	800 - 1000		

Your need...is our flexo solution

Racla a camera chiusa con sistema cambio lame e tenute laterali rapido in macchina e senza utensili, studiata per l'utilizzo con l'unità d'inchiostrazione e lavaggio A-C o M-C System.

Chamber doctor blade system with fast and tool less blade and side seals change in the machine, studied to be used with the automatic inking and washing A-C or M-C System.

Aperture/chiusure dei supporti mandrini porta maniche cliché e maniche anilox, su supporti a guide lineari con avanzamenti a 4 motori e viti a ricircolo di sfere.

Opening and closing of the front supports for plate- and anilox sleeve change, supported on linear guides, with 4-motor deck positioning and ball screws.

Avvolgitori singoli shaft-less o a torretta automatici

Single shaft-less or full-automatic turret rewinders

 Rotativa flessografica "gearless" a tamburo centrale, molto compatta e facilmente accessibile. Macchina flessibile, studiata per tirature brevi, con ottimo rapporto qualità/investimento. COMPACT 600 per sviluppo stampa fino a 650 - 6, 8 e 10 colori

 Very compact and easy accessible gearless C. I. flexo printing press. Flexible machine, developed for short runs, with an interesting quality/investment ratio. COMPACT 600 for printing repeat up to 650 mm - 6, 8 e 10 colors

 Sehr kompakte und leicht zugängliche Zentralzylinder Flexodruckmaschine mit Direktantrieb. Eine flexible Maschine, für Kurzaufträge entwickelt und mit einem interessanten Investition/Leistungsverhältnis. COMPACT 600 für Drucklängen bis 650 mm - 6, 8 und 10 Farben

 Imprimeuse flexo « gearless » à tambour central, très compacte et facilement accessible. Machine réalisée pour tirages courtes, avec un rapport investissement/qualité, très intéressant. COMPACT 600 pour développements jusqu'à 650 mm - 6, 8 et 10 couleurs

 Impresora flexográfica gearless, de tambor central, compacta y muy accesible. Máquina flexible, desarrollada especialmente para tiradas cortas de impresión, con una excelente relación "calidad/inversión" COMPACT 600 para formatos de impresión hasta 650 mm en 6, 8 o 10 colores.

 Очень компактная и легко доступная безредукторная С.И. флексографическая типография. Универсальная машина, разработанная для коротких тиражей, с хорошим соотношением качество / коэффициент капиталовложения, с выделенными управлением движения. COMPACT 600 для воспроизведения печати до 650 мм - 6, 8 и 10 цветов.

 结构紧凑、适应性广的卫星式柔印机，适用于短版活，性价比高
COMPACT 600 最大重复长度为 650 毫米，有 6、8 和 10 色

Gruppo con raclea a camera chiusa con sistema cambio lame e tenute laterali rapido, in macchina e senza utensili, studiata per l'utilizzo con l'unità d'inchiostroazione e lavaggio A-C o M-C System, e accesso facile ed immediato al tamburo in contrapressione.

Printing group with chamber doctor blade system with fast and tool less blade and side seals change in the machine, studied to be used with the automatic inking and washing A-C or M-C System, with easy access to central drum.

Facile accesso a tutti i gruppi stampa
Easy access to all printing decks

Aperture/chiusure dei supporti mandrini porta maniche cliché **automatiche** e l'apertura/chiusura supporti anilox **manuale**, il tutto supportato su guide lineari.

Automatic opening/closing of the front supports for plate sleeve change and **manually** for anilox sleeve change, totally supported on linear guides.

 Rotativa flessografica "gearless" a tamburo centrale, ad elevate prestazioni, per tirature corte e cambi rapidi, con "Motion Control" dedicato.
DYNAMIC 1200 per sviluppi stampa fino a 1250 mm - 6, 8 e 10 colori

 High performance, gearless C. I. flexo printing press, for short runs and fast job changes, with dedicated "Motion Control".
DYNAMIC 1200 for print repeat up to 1250 mm - 6, 8 e 10 colors

 Hochleistungs-Zentralzylinder Flexodruckmaschine mit Direktantrieb, für Kurzaufträge und schnelles Umrüsten, mit gewidmetem „Motion Control“.
DYNAMIC 1200 für Drucklängen bis 1250 mm - 6, 8 und 10 Farben

 Imprimeuse flexo « gearless » à tambour central, de performances élevées, à changement rapide pour tirages courtes, avec "Motion Control" dédié.
DYNAMIC 1200 pour développements jusqu'à 1250 mm - 6, 8 et 10 couleurs

 Impresora flexográfica gearless, de tambor central, de altas prestaciones, para tiradas cortas de trabajo y cambios rápidos de trabajo, con sistema dedicado "Motion Control".
DYNAMIC 1200 para formatos de impresión hasta 1250 mm en 6, 8 o 10 colores

 Высокая производительность, безредукторных С.И. флексографских типографий для печати небольших тиражей, с быстрой заменой тиража, с выделенными "управлением движения".
DYNAMIC 1200 для воспроизведения печати до 1250 мм - 6, 8 и 10 цветов

 技术先进的无齿轮卫星式柔印机, 换版时间短, 适用于短版活, 带有独立的动作控制
DYNAMIC 1200 最大重复长度为1250毫米, 有6、8和10色

Top Performance C.I. Flexo Press

ideal

Ottima accessibilità ai colori
Good accessibility to the print units

Flexo top di gamma per stampe fino a grandi formati e fasce larghe

Top range Flexo for printing up to big repeats and web widths
