We offer
best quality
products to our
customers

We

Pandora Plastik A.Ş. is established in 2005 in Istanbul, to operate in Injection Plastic Packaging Industry. With a wide variety of product range and worldwide customer network, the company has Head Office in Istanbul, and factory in Çerkezköy.

At our 2500 sqm closed and 4000 sqm open area factory, our products are produced with latest technology highly optimized technical equipment, in a hygienic environment and safe for food contact. And its production is exported to many of World countries from there.

We as Pandora Plastik, meticulously sustain our high quality standards with our highly experienced team, for both for our production and management processes, and share industry experiences with its customer.

Our Values

- * Having latest and highest technology
- * Having highly experienced and dedicated personnel
- * Ability to touch customer
- * Ability to deliver right product in desired quality/quantity and on time
- * Having sustainable after sales services

Our Mission

To protect and keep our values.

Our Vision

To be the biggest exporter in Injection Packaging Industry in Turkey by the year 2023.

Fast, safe and accurate!
