What Do We Produce? 4S Pack produces 4oz, 7oz, 8oz, 12oz, 14oz and 16oz Paper Cups with cold option as well.

How Do We Produce? From print to the end-product all steps of production occurs in our factory in Istanbul. We pack our products with unprinted boxes and only stick a label with a design through your demand.

We do check each and every cup's size and hygiene we produce.

Our products are being produced with no hand-touch from first step to the last one.

About Us: We are a Paper Cup producer located in Istanbul/Turkey. With an experience of more than 40 years in Plastic&Packaging market, 4S Pack has been established by Fetih Plastik. We have a very dynamic team, targeting European market with our highest product quality in all aspects, being leaded by an experienced and visionary board.
