About Us

Gorsel Sanatlar Printing & Packaging was founded in 1977 by Mehmet Ulu. Since then it has always been our main goal to provide our customers with the best possible service, to become the best national producer, and to strengthen the company's position in international markets. We provide both, outstanding knowledge and experience, which helps us to keep pace with innovation. Accordingly, innovation and quality became embedded in our company culture.

Gorsel Sanatlar Printing & Packing is one of Turkey's leading companies in the sector and our production complies with international standards. **(ISO 9001, ISO 14001, ISO 45001 BRC/IOP, FSC, SEDEX)** We are registered in **Sedex Database** and proved with all these certificates that we care about the social, economic and ecological needs of present and future generations. We follow up the latest trends in **Green Printing** and provide the **best environmental accreditations** to our customers with **cost effective solutions**.

We export to Germany, Austria, England, Netherlands, France, Belgium, Denmark, Switzerland, USA, Czechia, Russia, Israel, Algeria, Iraq, Qatar, Italy, Sweden, Ireland, Malta, Romanian, Morocco, Georgia, Estonia, Lichteinstein, Slovenia, Greece...

Boxes

Look Box®

It's interesting the way the famous English scientist Isaac Newton discovered the laws of gravity while standing under an apple tree. Nowadays, a similarly obvious and clever discovery has taken place with the advent of the Lookbox.

If you are looking for a smart way to give more visibility to you, product so they reach their target and stand out from the other products on the shelves.

Don't wait for the apple to fall on your head!

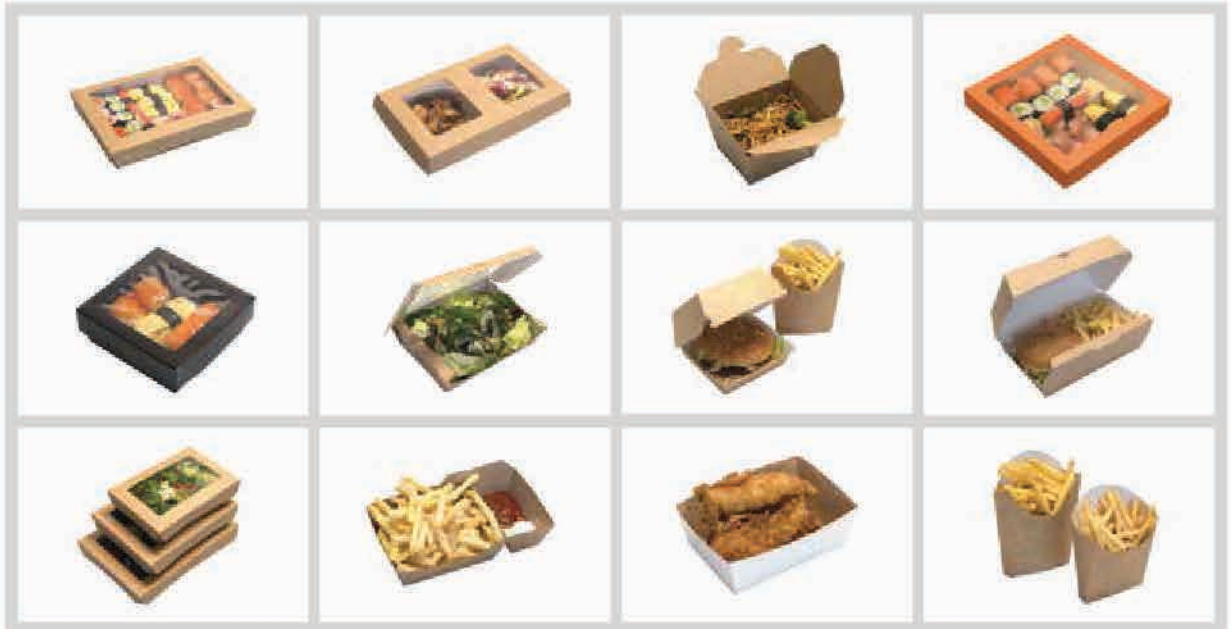

You dream it... We make it real!
