Our Mission ;

Our mission is to deliver our customers with the fastest service without compromising on quality, contribute to the environment and society, protect and develop social welfare with a sense of social responsibility with its technology, trained manpower and happy employees.

Our Vision ;

Always stay innovative by manufacturing products that protect our nature and our world, and solve problems with energy saving in line with the principle of efficiency

“CLEANSYOURWORLD”

We generate solutions, not excuses

Zerpak Ambalaj was established in Kiraç Istanbul in 2011 to counter the need for industrial waste bin bags. With the brand and machinery investments it has made over the years, the main focus of the company is the production of bin bags, mops and duct tape.

As Zerpak Ambalaj, responsibility for environmental awareness is our first priority. In this context, our company offers special solutions to its customers with its core values such as reliability, flexibility, innovation and sustainability.

Established in 2011 in Istanbul Kiraç covering a closed area of 1600 square meters, Zerpak Ambalaj produces more than 450 tons per month in a 5500 square meter closed area in its Hadımköy factory with over 100 personnel and ensures that its products reach domestic and foreign consumers. Zerpak Ambalaj exports 35% of its production to countries in the region and the USA and is planning to increase its share in exports in the near future. In addition to manufacturing, Zerpak Ambalaj also delivers production, sales and logistics services for Star Plus, Star Home and

Our Machines

Vioraplast brands, and proceeds with visionary steps on the path to value branding and establishing brands.

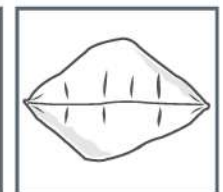

Zerpak Ambalaj is a group company. The company is a producer member of the Zergrup family, which is a leader in the non-food wholesale and over-the-counter wholesale channel.

Our company maintains a continuous process to develop to provide our esteemed customers with maximum satisfaction and counter your expectations in the most economical and fast way. Zerpak Ambalaj has qualified staff comprised of experts in their relevant fields and is always aware of its production related responsibility. We prioritize the importance of being a long term solution-oriented company by endeavoring to provide the best and fastest service.

In short, "We generate solutions, not excuses." We believe in the necessity of discipline and disciplined work. Of course, these are not all the features that make Zerpak Ambalaj different, when you get to know us better, you will have a better understanding of why we are different.

Star Seal

Flat Seal

Standard Garbage Bags

Household

Standard

- Available in LDPE and HDPE types

Our Brands

We reflect our quality to our customers with our strong brands.

Our journey started with our Star Plus brand in the Turkish market and continues with the Viora brand which we have created by blending high-level quality. With both of our brands, we are able to meet the needs of consumers not only in the domestic market, but also in international markets. For this reason, the motto we have chosen for our Viora brand has been "your need".
