PROVIDING AN INNOVATIVE AND EXCELLENT BOPP SOLVENT RUBBER ADHESIVE TAPE FOR PACKING SOLUTION

Established in 1999,
EVERTECH Tape has succeed getting the great
reputation in high quality of the BOPP Solvent Rubber Adhesive Tape.
Dominated in the local competition and rapidly growing-up
in the worldwide market.

Keeping to produce the high quality of tape, we only use
the best raw materials with the right formula.
With strong support from Research and Development Department,
we emphasize the changes and innovation to achieve
the customer's satisfaction.

To give our best service to the customers, we are supported by
2 (two) factories with the 4 (four) coating lines and
12,000 MT annum production capacity
